

Sodium Iodide I-131 Ordering Guidelines

- Customers wishing to place a new order or make changes to an existing order must complete this change before 10:00 AM Mountain Time (MT) Thursday two weeks prior to need date.
- Spot orders are accepted daily; however, if the order is for next day delivery, it must be received by 10:00 AM MT. All spot orders are subject to product availability.
- Any increase to a standing order must be made before 10:00 AM MT on Monday's, the fill date, and is subject to availability.
- If after the deadline a customer needs to delay the delivery date the customer will still be charged for the original amount of material on the standing order.
- If a customer accelerates delivery of an order they will be charged for the actual amount of material received.
- Delays in product delivery to the customer caused by delays with Federal Express shipments, or the originating shipment from Radnostix' supplier are beyond the control of Radnostix.
- Radnostix reserves the right to update its shipping, cancellation and return policies at its sole discretion from time to time.
